

FLEX WORKFORCE SOLUTIONS

Available when you need support

Achieve optimal efficiency and flexibility while increasing RevCycle performance with a highly trained and certified Virtual Workforce. We continuously scale up and down your dedicated flex teams based on data-driven analysis.

WHY THE CURRANCE APPROACH IS DIFFERENT

1 Unique Performance Methodology

2 Process Automation

3 Account Level Analytics

4 Actionable Root Cause Analysis

Bridge The Gap With Flexible Staffing

Regardless of how you manage your Revenue Cycle, we create the best fit for your virtual staffing needs based on:

- Short-term need
- Performance
- Budget

Seamlessly Scale Up & Down

Flexibility to use as a stand-alone workforce, extension to existing teams, or to jointly operate. Change scope without re-negotiating with:

1. On Demand Workforce
2. Joint Management
3. Predictive Resourcing

TESTIMONIAL

“Thanks to Currance, we can meet and exceed our performance goals. With the arrival of COVID-19, as an example, it is more important than ever to have tools, be flexible and control costs in order to best serve our communities.”

- **Judy Briggs**, Vice President, Revenue Cycle, Regional One Health

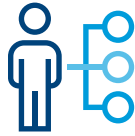

SO MUCH MORE THAN SPEED AND EFFICIENCY

Achieve lasting performance and next level insights into Revenue Cycle Performance

Continuous productivity, activity, and quality tracking reveal future challenges in the revenue cycle that could affect net reimbursement.

**High Performance
Virtual Teams**

**Performance
Management**

**Proprietary
Technology**

**Root Cause
Analysis**

Currance not only pinpoints exactly where operations will need support, but it provides a timeline of when disruptions will become critical for proactive planning.

5 REASONS TO CHOOSE CURRANCE

1. Manage the process versus focusing on contingency
2. Look at smaller and problematic accounts equally to big accounts
3. Uncover opportunities for automation and process improvements
4. Continuously evaluate scope based on real-time data and need
5. Seamlessly scale up/down with a virtual workforce

PREDICTABLE

FLEXIBLE

PERFORMANCE

**DISCOVER THE DIFFERENCE: PARTNERING TO TAKE
REV-CYCLE PERFORMANCE TO THE NEXT LEVEL**
